**Calgary Ostomy Society** is a member of the United Ostomy Association of Canada Inc. Our mission is to support anyone with a Colostomy, Ileostomy or Urostomy (Ileal Conduit) and their family. It is a self-governing, non-profit, educational, health service agency with medical advisers. The Society operates a Volunteer Visitor Service to Ostomy Patients in hospital and provides monthly small support groups, quarterly general interest information, and social meetings. Meetings are open to all Ostomates, their families, friends, and supporters.

**The United Ostomy Association of Canada Inc.** is a volunteer-based organization dedicated to assisting all persons facing life with gastrointestinal or urinary diversions by providing emotional support, education, and information services through membership, the family-associated caregivers and the general public.
